

Lower Los Angeles River Implementation Advisory Group Meeting Committees: Community Engagement and Programs & Policy

April 16, 2019 | 10:00 – 12:00

EYCEJ Community Room
5117 Kinsie St., Commerce, CA 90040

AGENDA

I. Welcome & Introductions

Alessandro Negrete, EYCEJ; Bo Savage, LACC, Dan Sharp, Los Angeles County Flood Control District; Riley James, Los Angeles County Flood Control District; Lee Alexanderson, Los Angeles County Flood Control District; Antonio Hicks, Public Counsel; Jim Meyer, Trails 4 All; Kim, Congress Roybal-Allard

Reviewed purposes of joint committee

II. Review of last LLAR: IAG meeting

- a. Project Information Packet/Checklist
 - Public Realm has already started using
 - Edit/ add: goal of project proponent when going through IAG, identify permit requirements- updates at May IAG.
 - Project Proposal Timeline: Packet first goes to Los Angeles County Flood Control District, then The Flood Control District will send recommendation to review to the committee chairs, who can accept or deny the recommendation, the committees then recommend projects to the IAG for review.
 - Los Angeles County Flood Control District prepares summary of projects for consideration through 1-page recommendation for the committees to review or not review, depending on the scale and impact of the project

III. Committee Consolidation Logistics

- a. Co-Chairs: Antonio & Laura
- b. Notes: Rotate note taking
- c. Location: Compton Creek Natural Park
- d. Meeting dates/times: Tentatively 6-8pm on Thursday July 18th
- e. Member Invitations

IV. Project Updates

- a. Parque dos Rios:
 - Construction impacts for community engagement
 - Analysis on addressing anti-displacement or gentrification
 - Not meant to be a regional attraction

- Native Nations consultation
- b. River Ranger Program
 - Substantive Community Engagement
 - Timeline
 - Pilot rollout
 - Ranger objectives and roles vs. desire for law enforcement (from whom?); alternative safety solutions
- c. Conversation on homelessness and resources to support, rather than remove
 - Community solutions would be preferred over individual solutions
- d. Sleepy Lagoon
 - Planning grant

V. Open Forum / Public Comment

- a. Antonio: This could be a venue to develop equitable policies with bond funding; identify advocacy needs
 - Activating community stabilization toolkit
 - City briefing for opportunities (include congress)
 - Act LA is doing something similar so cities know how to get funds to implement measures.

VI. Next Steps

- a. IAG Meeting – May 22, 2019
